Subject: RE: LIS Disposal project NY Coordinates

Hi Steve, I've had a chance to look at your survey area, and we have no records in our (admittedly incomplete) shipwreck inventory for that part of Long Island Sound. Tim Lloyd and I discussed your project, and unless you need a finding letter from our office, we are fine with it. If you do need a finding letter, please go ahead and submit it through CRIS (<http://nysparks.com/shpo/online-tools/>). Thanks, Daria

Subject: FW: LIS Disposal project NY Coordinates

Hi Daria:

Dell Gould from our office put the coordinates together.

The site we are looking at is pretty much a triangle described by these three coordinates:

72°22'09"W
41°12'12"N

72°20'50"W
41°12'12"N

72°20'50"W
41°12'31"N

We already have info on the obstruction in the NOAA database just to the north.
